

NAME: _____ HOUR: _____ C.B. _____ Score: /42

PICKLEBALL TEST

TRUE/FALSE: CIRCLE THE ANSWER (1 Point Each)

1. True/False If the ball hits the sideline, it is considered a fault.
2. True/False After scoring a point, the server must switch service courts.
3. True/False If the receiving team wins the serve, the person in the left-service court serves first.
4. True/False Pickleball was named after a dog named Pickles.
5. True/False If a player jumps, hits the ball in bounds, and lands in the non-volley zone, then it is considered a fault.
6. True/False When serving, you need to serve the ball diagonally across the net and it must land in the non-volley zone.
7. True/False You can only score points when you are serving.
8. True/False A player who is serving shall continue to serve until their team makes a fault.
9. True/False You may hit the ball twice to get it back to the other side.
10. True/False A player must serve with at least one foot behind the back line, hitting the ball with an underhand motion (the paddle must be below the players waist).
11. True/False On the serve, the ball should be bounced before hitting it.
12. True/False The first team to serve will have both players serve before it goes to the other side based on faults.
13. True/False A player is allowed to switch hands with their paddle during play.
14. True/False A player may not step outside the sideline to play a ball.
15. True/False The server can have both feet behind the baseline on a serve.
